Colouring Book

We here at "My Lesbian Colouring Book" would love to see your completed works. This is not a colouring contest. We feel that the spirit of art, much like the spirit of sisterhood, is a co-operative one. Simply send us a finished illustration from this book that you feel is particularly empowering and we will send you a "My Lesbian Colouring Book" care package including herbal tea and a mix tape.

Please send your submissions to:
